ANNEX 7- Gantt Diagram of the project initially proposed and foreseen activities and deliverables

Action		7		9 2010		11 1	12 2	2	3 3	4	. 5		7 115	8	9	10	11	12	1 2	3	4	5	6 201		8	9 1	10 1	1 12	2 1	2	3	4 20		6 7	7 8
Number/name of action			ш			٧	Т	- 1			II			Ш			IΥ		- 1			II			III		IV			ı		II			Ш
PREPARATORY ACTIONS				10	I		T											İ																	
A.1 Study of the current situation of photocatalytic materials application in polluted air treatment. Review of the European Air Quality condition and analysis of the pollution scenarios.	Proposed				\11 \12																														
	Actual					(11 (12																													
IMPLEMENTATION ACTIONS							MS							M4	M5																				
B.1. Environmental measurements of	Proposed					В1	1					B12																							
contaminants in selected urban locations before the installation of the	"Promised" in Inception Report							B11							B12			\prod																	
photocatalytic textile prototypes.	Actual						Г	B11													B 12														
	Proposed			В	321			B22 B23				B24 B25																Ĺ							
B.2. Photocatalytic textiles prototyping.	"Promised" in Inception Report				E	21			B23					B24 B25																					
	Actual				E	21							B22 B23				E	325			B24														
	Proposed																		B31					332											Ш
B.3. Demonstration of photocatalytic activity of functional textile prototypes at	"Promised" in Inception Report																				B31							B32	2						
EUPHORE simulation chamber.	Midterm report																								B31							ВЗ	.2		
	Actual																												E	331		ВЗ	2		
	Proposed																				B41										B4:	2			
B.4. Demonstration of photocatalytic	"Promised" in Inception Report																	Ī						341							B4:				
activity of textile prototypes at urban environment - Quart de Poblet.	Midterm report																	Ť									В4	1				B4 B4	-		
	Actesi				Ť	Ī	T										Ī													E	841	B4 B4	2	ľ	

Action		2014									20	115									2016	116								2017					
Number/name of action		III		IV			-			п					IV			ı		II		III			IV			1		п			III		
MONITORING OF THE IMPACT OF THE PROJECT ACTIONS																																			
C.1 Monitoring of the environmental	Proposed					Т																									c	11			
impact of the project actions	Actual					Т											Τ													\Box			T		
C.2 Monitoring of the socio-economic	Proposed)12)21			
impact of the project actions	Actual					Т											Τ																		
COMMUNICATION AND DISSEMINATION						Ť											Ī					Ì									N	46	T
